Evans has posted a 174-106-3 (.620) record in 17 seasons as the head coach of the Gents soccer program and a 50-22-3 (.687) record in four seasons as the Ladies' head coach.

THE CENTENARY LADIES

1996 LADIES SEASON OUTLOOK

LADIES WILL HAVE TO REBUILD AFTER BEST SEASON EVER...

Last season the Centenary Ladies had their best season ever posting a 16-4-1 record, but lost 12 players off of that squad. This season coach Glenn Evans will face something with the Ladies program that he has never had to deal with before, a rebuilding year.

"For four years we basically had the same nucleus of players and added to that each year" said Evans. "When you start a program with a bunch of freshman at one time like we did your going to lose them at one time. This year we are having to replace many of them and you just can't replace the experience of those players."

Sophomore midfielder Mary Cholley and senior Kristen Mavico (background) return to the Ladies midfield.

One of the major concerns for the Ladies will be a lack of personnel. With the loss of 12 players and only 11 total letterwinners back off last year's team, depth is one of Evans' main concerns.

"The thing I think will hurt us the most and coach Jones agrees with me, is our lack of depth," Evans said. "For the last two years we've had the luxury to be 17 or 18 deep and not lose a step at any of our positions. We are going to have to stay healthy because if we lose a body or two we could be in trouble."

Despite the lack of depth, the Ladies do return five starters and three of those five have started for three seasons.

"We have some great players returning," the fifth-year coach said. "We've got three three-year starters returning in Krista Camplen, Jeanette Bingeman and Kristen Mavico, back. That's the heart of our midfield and they will be the engine that makes us go this year. It is imperative that they stay healthy."

THE FORWARDS:

Sophomore's **Daniela Sarquiz** and **Shari Overbeek** will be looked upon to provide some scoring. Sarquiz and Overbeek finished last season ranked second and third on the team in scoring. Sarquiz finished with 10 goals and four assists while Overbek added nine goals and four assists. Senior **Jeanette Bingeman** (6 goals, 4 assists) who played both forward and midfield last year will see action at both spots this year as well. Freshman **Jacintha Wick** will likely see a lot of playing time, both at forward and in the midfield as well. Sophomore **Anita Le** (2 goals) has improved her game and will also see time at forward.

THE MIDFIELD:

The midfield is an area where the Ladies have a lot of experienced players returning. Leading the midfielders will be senior's **Krista Camplen** and **Kristen Mavico**. Camplen, a three-year starter, returns after scoring five goals and assiting on two others last season. Mavico, who scored 10 points (3 goals, 4 assists), is another returning player who has been a starter for three years.

Sophomore **Mary Cholley**, who played in all 21 games last season, will vye for a starting job this year. Last year she scored two goals and added four assists.

Junior **Tommie Darden**, who also plays softball, as well as sophomore **Lyndasy McDonough** could see some action.

Freshmen Shannon Scott, Kristine Towner, Jaime Walker as well as Wick could all see a considerable amount of playing time in the midfield or at other positions.

THE DEFENSE:

An area of great concern for the Ladies is the

1996 LADIES SEASON OUTLOOK

defense. Gone from last year's squad are Debra Pratt, Wendy Eckstrom and Ashley Jaye, all of which were starters and two were All-TAAC performers.

Anchoring the defense will be sophomore **Amy Williams**. Williams started all 21 games last season and will be counted on as the stopper this season.

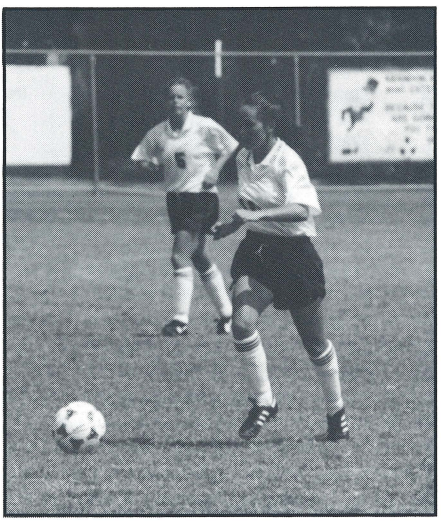
Look for freshman **Leigh Kivlehen** to take over as the sweeper. Freshmen **Elizabeth Roberts, Melissa Rainey** as well as Towner and Walker could all see time on the defense. There are others who could be moved to the defense if necessary.

GOALKEEPERS:

One of the biggest concerns for the Ladies is how to replace a player like Martha Chaney. Chaney a mainstay in the net for four years was a First Team All-TAAC selection last season and was ranked among the national leaders in goalkeeping.

Now that Chaney is gone the burden of trying to fill her shoes, falls on the shoulders of sophomore's **Heather Mahaney** and **Vickie Cloud**.

Only Mahaney, has seen time in goal for the Ladies and that was only in four games. Cloud played in only three games last year and that was on the defense.



Senior midfielder Jeanette Bingeman has been a starter for three years. Bingeman and fellow senior Krista Camplen (background) well solidify the midfield.

THE SCHEDULE:

One of the most amazing points to Centenary's success last season was that the Ladies compiled records of 9-1 at home and 8-1 at away sites. It was the neutral site in which the Ladies struggled to a record of 1-2.

"We had a lot of success both on the road and at home last year," said Evans. " Not to make excuses but we went into the latter part of our schedule last year, which consisted of games at neutral sites, a bit banged up. With the way our schedule is set up this year you better be a good road team because we play a number of road games right in a row."

The Ladies will have a difficult road schedule again this season. The road schedule consists of games versus regional foes South Alabama, Texas Christian, Charleston Southern, Millsaps and Stephen F. Austin. The Ladies will also meet Northwestern State and McNeese State, two schools who will field women's soccer team for the first time.

The Ladies will play a nine-game home slate that includes games against TAAC West Division foes Mercer, Georgia State, as well as Jacksonville State. Centenary will also face TAAC opponent Southeastern Louisiana, who is fielding a team for only the second year.

The top two teams from both the TAAC East and West Divisions will meet at the site of the East Division Champion for the TAAC Women's Soccer Tournament on November 8-9.

Evans believes the schedule will benefit his young team.

"This is a rebuilding year for us," Evans said. "Our schedule may not be the toughest around, but I think it provides us with some good matchups and some stern tests for our young team."

THE CENTENARY GENTLEMEN

1996 GENTS SEASON OUTLOOK

GENTS HOPE TO FIND THE RIGHT MIX IN 1996...

After a disappointing season in 1995, the Centenary Gents soccer team hope that they can find the right mixture of veterans and newcomers in 1996 in order to challenge for the Trans America Athletic Conferenc title.

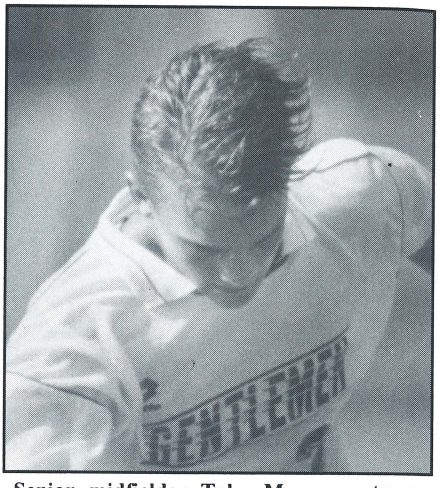
"We were disappointed with the way the season unfolded last year," said longtime Gents coach Glenn Evans. "This season we have quite a bit of new players as well as a number of veterans coming back. This new group of players is in my opinion the best group both in quantity and quality since the 1987 team. Our biggest problem will be mixing the talent that we already have here with the new talent."

Centenary finished just 8-10 overall and 3-5 in the TAAC West Division last season, the fourth straight year that the Gents failed to have a winning season after posting nine straight under Evans' tutelage from 1983-91. With seven starters returning and 13 returning letterwinners, the four-time TAAC Coach-of-the-Year believes he has the talent to produce a good club.

"Their is enough talent with this group of new players to be able to start nine new players," Evans said. "You combine the new players with the veterans and you have a very talented and versatile team. None of these players are locked into one position."

For the first time in the 18-year history of the Trans America Athletic Conference, the winner of the TAAC will have an automatic berth in the NCAA Tournament, which is something the league did not have when Centenary won three straight TAAC titles from 1988-90. So the stakes will be high as all of the TAAC will be looking to advance to the NCAA Tournament.

"I think the automatic berth gives us another incentive to shoot for," said Evans. "We have to realize we can get to the NCAA Tournament, but only by winning our division and then the TAAC tournament. I really believe that with a healthy group of upperclassmen coming back and some talented newcomers if we can find that consistency we have a good chance to make yet another run at the TAAC title. The coaches and the players are excited because we think this could be the year to get us back to where we were in the late 80's and early 90's."



Senior midfielder Toby Maxson returns after playing in 17 games last season. He could also see time of the defense this season.

THE FORWARDS:

With the return of leading scorer senior **Antonio Paternostro** (7 goals, 1 assist) as well as the possibility of moving senior **Scott Yerby** up to the forward spot excites Evans. Paternostro could be moved to the midfield to better utalize his skills.

"Tonio is an excellent transition player who is coming off a good year and provides us with a scoring threat," said Evans. "Yerby could move back up front and that will give us that added dimension that we didn't have last year," said Evans. "Yerby is like a coach on the field and is a great target. He is so strong and can strike the ball with great authority. If we can keep Yerby up front it will open up Tonio and that will help us."

Also vying for playing time at forward will be freshmen **Robert Fernandez-Vinas, Charlie Chicko** and **Jason Maxwell**.

"All of these freshman are talented, strong and work hard and will eventually be good players for us," Evans said. "Their biggest challenge will be adapting to the college game."

THE MIDFIELD:

The midfielders as a whole will have quite a bit of depth as three of the four starters return from last year's team. Junior **Marc Castillo** returns after a sophomore season in which he

ranked third on the team in scoring with four goals and three assists. Senior Craig Johnson (1 goal, 2 assists), who has been a two-year starter also returns to the midfield. Seniors **Ryan O'Leary** and **Toby Maxson** aslo return to the midfield. O'Leary started every games last season and scored two goals while dishing out two assists last season. Maxson (1 goal), who saw a considerable amount of time last season, is listed as a midfielder but could see time on the defense.

Look for junior transfer **Marty West** and freshmen **Roy Ancheta** and **Jaime Frias** to battle for starting jobs in the midfield. Others who could see some action as a midfielder include junior **Allen Sihatrai** (1 goal) and freshmen **Trey Woodham, Cody Carlton, Tomas Melchor, Torrey Bertheau, John Clay** and **Trevor Wood**.

"We are very deep in the midfield," Evans said. "I don't think anyone can feel safe that they have secured a starting spot. All of these players are very versatile and can play anywhere but there are only 11 players on the field at one time so it will be a dogfight for playing time."

THE DEFENSE:

The Gents lost three players off the defense from last year's squad. The only returning starter is **Danny Warren** (3 assists), who graduated in the spring but returned to Centenary to play his final year of soccer.

Scott Yerby could make the move from midfield to forward this season...The senior is a three-year starter.

Senior **Neal Williams** and sophomore **Brian Hodge** are the only other experienced defenders the Gents have returning. They will be pushed for playing time freshmen **Scott Lockerd, Michael Russell, Jonathan Phillips, Peter Guarisco** and **Damon Johnson**. Look for Maxson and Woodham to see time on the defense as well.

THE GOALKEEPERS:

One of the biggest battles for playing time will be at goalkeeper. Junior **Chase Wooten** (50 saves, 1.46 GAA) and senior **Keegan McConnell** (31 saves, 2.62 GAA) return from last season but senior **David Orr**, who sat out last year, has returned with a firery spirit and is looking to become the full time keeper.

"This is our biggest battle," said Evans. "Right now I would give the edge to David Orr because he has come back with a new attitude and has worked extremely hard. He has more confidence in himself and I have confidence in him. That is not to say that Wooten and McConnell are out of the race because they're not. They will all have to keep working very hard and I look for one of them to step up and take control."

THE SCHEDULE:

The Centenary Gents are hoping to better last season's 8-10 record but face another tough and exciting schedule this season.

"Once again the men face a tough start to the season," said Evans. "There are no breather's in this schedule. We will have to fight in each and every game but I think this team will suprise some people."

The Gents will play in two tournaments this year, including the season opener at the South Alabama Tournament.

Centenary will again face a tough Trans America Athletic Conference schedule. The Gents are in the West Division of the TAAC and will face only division foes again this season. Some of the non-conference matches include Texas Christian in Ft. Worth and three home matches against LeTourneau, UT-Pan American and Millsaps.

CENTENARY COLLEGE

THE COLLEGE

THIS IS CENTENARY COLLEGE

ACADEMIC SUCCESS

Founded in 1825, **Centenary College** is the oldest private liberal arts institution west of the Mississippi River. Centenary provides a superior education for students capable of intellectual leadership and for those who can benefit from study in an academic community where excellence is encouraged and individuality is respected. Centenary places emphasis on preparations for various professions. The college is affiliated with the United Methodist Church.

Centenary boasts a student/professor ratio of 11 to 1 for its 1,000 graduate and undergraduate students, while classes rarely exceed 30 in popular introductory courses. Centenary is a member of the Southern Association of Colleges and Schools. The college offers the Bachelor of Arts, Bachelor of Science and Bachelor of Music degrees in 40 subject areas and a broad range of programs in a variety of pre-professional and interdisciplinary fields. Recently, a Centenary education was recognized in ***"Money's Guide to the Best College Buys"*** as the 27th "Best Buy" in the United States, as well as ninth in the southeast region and tops in Louisiana based on the quality of education and competitive pricing Centenary offers.

Shreveport is located on the west bank of the Red River in Northwest Louisiana. The metropolitan area has a population in excess of 300,000 and forms the geographical, cultural, and economic center of the region known as the Ark-La-Tex. Centenary is located two miles from downtown Shreveport and is widely known for its natural beauty and stately Georgian architecture.

ATHLETIC HISTORY

Centenary has a treasured history in athletics, dating back to the mid-1800's. While the first basketball game on record didn't occur until 1921, Centenary had already fielded teams in baseball and football.

As a matter of fact, Centenary once boasted of having one of the finest football teams in the nation. The Gents posted a perfect 10-0-0 record back in 1927 with a team coached by **Homer Norton**. That year, Centenary defeated four Southwest Conference opponents (SMU, Baylor, Rice, and TCU) to start the season and finished off the memorable campaign with a 59-2 whipping of Louisville. Centenary outscored its opponents 261-38 over the 10-game span.

In that era 13 Centenary football players went on to professional gridiron careers, including: **Conway Baker**, **Buddy Parker**, and **Cal Hubbard**.

Hubbard, a mountain of a man at 6-2 and 253 pounds, was the most illustrious of the group, starring on championship teams and earning induction into the ***National Football League Hall of Fame*** and the ***NCAA College Football Hall of Fame***. He is a triple rarity in that he also is in the ***Major League Baseball Hall of Fame*** as an umpire.

Centenary also owns one **NCAA Football record** that still stands today--most punts by two teams in one game. The answer is 77 punts as the Gents battled Texas Tech to a 0-0 tie on November 11, 1938 in Shreveport. In that game players reported the rain was so hard that the water was entirely above their shoes.

Centenary later discontinued football in 1947 due to the poor oil economy in the Ark-La-Tex region but the school's athletic success continues still today.

ATHLETICS TODAY

Centenary is a charter member of the **Trans America Athletic Conference** (established in 1978) and sponsors 14 men's and women's intercollegiate sports. Basketball, baseball, soccer, cross-country, tennis, golf, and rifle for men; soccer, cross-country, tennis, volleyball, gymnastics, softball, and rifle for women. In the 18-year history of the TAAC the Gents have won 10 conference championships. The Centenary Athletic Department was the recipient of the Jesse Fletcher Award in 1983-84 for the TAAC's best all-around program and has been runner-up for the honor from 1988-1990

Centenary is also the alma mater of current NBA great **Robert Parish** of the Charlotte Hornets and **Larry Robinson**, formerly of the Houston Rockets, Professional Golfer **Hal Sutton**, former U.S. Olympic Gymnast **Kathy Johnson-Clarke** and former Major League Baseball Pitcher **Cecil Upshaw**.

TRANS AMERICA ATHLETIC CONFERENCE

CENTENARY COLLEGE

CENTENARY BEGINS 19TH YEAR IN THE TAAC...

Founded on September 19, 1978, by eight NCAA Division I Independents, the Trans America Athletic Conference is made up os some of the finest private schools and fastest growing state schools in the Southeast. The TAAC, currently at a peak in membership with twelve schools, has evolved over its 18-year history without changing its initial premise: "assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

The TAAC sponsors 15 championship sports with a record-high 155 athletic teams competing for conference championships. For the third straight yearthe TAAC had a record number of student-athletes earn åll-academic honors as 794 student-athleteswere honored in 1995-96 surpassing last year's record total of 644.

Conference growth in academic and athletic achievement has been coupled with unprecedented growth in the membership. Last spring the TAAC voted to accept a new member for the seventh straight year. Troy State University (Troy, Alabama) will begin competing in the conference effective July 1, 1998. Expansion has been the hallmark of Bill Bibb's tenure since he began as conference commissioner in 1991. Now entering his sixth year as comissioner, Bibb began his association with the TAAC as one of the founders of the conference. He served as the head men's basketball coach at Mercer from 1974-89 and was an active participant in the formation of the TAAC in 1978. Bibb also served as athletics director in his final nine years at Mercer.

The TAAC will have three automatic bids in 1996-97 covering the men's and women's basketball champions and the baseball champion. The 1996-97 TAAC Champions in men's soccer, women's volleyball and softball will participate in NCAA Play-In matches (winner advances to NCAA Tournament). Over the last three years TAAC teams are 6-0 in NCAA Play-In competition (Baseball 1-0, Men's Soccer 1-0, Softball 2-0, Volleyball 2-0).

The conference continues its growth as one of the top all-around collegiate athletic conferences in the country. With an expected total of more than 2,000 student-athletes participating in TAAC play in 1996-97, the Trans America Athletic Conference, now more than any time in its history, is fulfilling its mission of providing the best in academics and athletics.

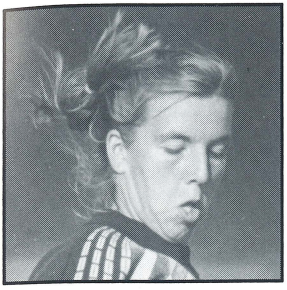
A LITTLE BIT EXTRA

Centenary Soccer Players Named TAAC Student-Athletes of the Year

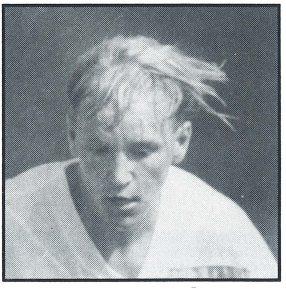
MACON, Ga. - On June 3, 1996 the Trans America Athletic Conference named Centenary College's Martha Chaney (5-10, goalkeeper, Richardson, Texas) and Matt Thornton (5-9, 165, defender, Little Rock, Ark.) the 1995-96 TAAC Student-Athletes-of-the-Year, in voting done by conference faculty athletic representatives.



Former goalkeeper Martha Chaney

Chaney, a member of the Centenary Soccer and Rifle Teams, graduated Magna Cum Laude as an Applied Science / Health and Exercise Science double major. Starting every game (74 games) as the goalkeeper for the Centenary Ladies during her four years, Chaney finished the 1995 soccer season ranked first in the Central Region in goals allowed average. Chaney holds every single-season and career goalkeeping record at Centenary, including 109 saves in a season and 31 career shutouts. She earned All-TAAC honors in 1995 and 1993.

Chaney was awarded the Entergy / NCAA "Winning for Life" scholarship and earned the United States Natural Science Award in 1996. She was a three-time All-TAAC Academic honoree and a Centenary Dean's List selection. Named a U.S. Achievement Academy All-American Scholar, Chaney also earned GTE Academic All-District VI honors last season. Chaney, finished her undergraduate career with a 3.9 cumulative grade point average.



Former defender Matt Thornton

Thornton, a defender on the Centenary Gents Soccer Team, graduated Summa Cum Laude as an Applied Science major. Named All-TAAC in 1995 and 1994, Thornton played in every game over his last three seasons (59 total games). He was a nominee for the United States Top VIII Athlete Award in 1995, awarded for athletic and academic achievement. A Centenary Presidential Scholar, Thornton earned Dean's List honors each semester and was a TAAC All-Academic honoree three consecutive years. He posted a 3.9 cumulative grade point average.

Centenary Wins TAAC All-Academic Trophy For Second Consecutive Year

MACON, Ga. - On June 13, 1996 the Trans America Athletic Conference named Centenary College the TAAC All-Academic Champion for 1995-96. This marks the second straight year Centenary has won the title.

Centenary had 88 of its 170 student athletes (51.8%) participating in the TAAC's 15 championship sports earn all-academic honors in 1995-96. Samford University came in second with 50.3% (76 of 151) while Mercer was third at 41.8% (84 of 203). Last year Centenary won the title with 62% (83 of 134) of its student athletes earning all-academic honors.

Fifty-four Centenary student-athletes made the TAAC Fall All-Academic Team, consisting of student-athletes who compete in men's and women's cross country, men's and women's soccer and volleyball. Four Gent basketball players also earned all-academic honors.

Thirty-four Centenary student athletes were honored on the Spring All-Academic Team, made up of baseball, men's and women's tennis and men's and women's golf. Ten Ladies softball players topped the list of spring honorees.

The TAAC had 33.5% (794 of 2,370) of its student-athletes earning all-academic honors in 1995-96. The 794 student-athletes named to this year's TAAC academic honors list is a new conference record, surpassing last year's total of 644.

surpassing the previous record of 533 set in 1993-94. To earn All-Academic honors, a student-athlete must compete in one of the 13 TAAC Championship sports and post at least a 3.0 grade point average during their season of competition.
